FIRST, SECOND and THIRD GRADE NEWS

By: Krista Masat

It is great to be back at school! It sounds like everyone enjoyed their Christmas break. The first, second, and third graders sure did a good job getting back into our routine.

We are finishing up Unit 3 in reading, which means the second and third graders will not have spelling next week. The third graders are starting a new chapter in Social Studies on explorers and settlers coming to North America and will then get into how we became the country of America! The first and second graders have just learned how we became an independent country.

We are looking forward to our 100th day of school. We are also going to be celebrating Lutheran Schools week soon. Plus, everyone is excited about starting to get ready for our musical! We have a lot of exciting things coming up!

- **First grade spelling words:** low, boat, no, row, oat, toe, over, more.
